A Few Words From The East

Greetings Brethren,

I hope that this message is received at a time when all is well with you and your family. December is the time that we should reflect on the past year and take stock at all we have been thru being thankful for all the blessings that we have. The Holiday Season will hopefully be more promising than the challenges that this year has confronted us with. An Extra Meeting was held on November 13th, 2021, at Prospect Lodge No. 578 where Herb Wyche, Evan Martin & Niko Serevetas received the Entered Apprentice Masons Degree and made Brothers of the Craft. Welcome my Brothers. Br. Kyle Schwirian did a great job of conferring his first Entered Apprentice Degree. I would also like to thank all the brethren who gave up their Saturday for Freemasonry and Saint Alban Lodge and made this meeting possible. THANK YOU. I will leave you with a parting thought. This is my last message as Worshipful Master of St. Alban Lodge. I have had the privilege and honor of being Master five times and each time I was complimented of having a good year. A Master is only as good as the support that he has from the members and officers of the lodge. In my case I had phenomenal support and guidance. I am taking my hat off to you and" thank you" for all your efforts on my behalf. I hope to see you all at our December meeting.

Fraternally yours,

Russell B. Conk

Worshipful Master

Best wishes to all celebrating their Masonic Birthday!

Freemasonry has endured not because of its antiquity, its influence, or its social standing, but because there have been so many who have lived it.

The effectiveness of Masonic teachings will always be the measure by which the outside world judges Freemasonry; the proof of Freemasonry is in our deeds and it is in our deeds that Freemasonry is made known to non-Masons. The only way that the Craft can be judged is by its product. The prestige of Freemasonry lies squarely on the shoulders of each of us.

We cannot practice our Freemasonry until we have first learned to know it. Once we have learned to know it, we will clearly see that there is not one of our modern perplexities but what can be solved by a faithful application of Masonic principles and precepts.
