A Few Words From The East

Fraternal Greetings, Brethren-

Congratulations are in order for each and every one of you. Our Lodge has done an excellent job on conferring an astounding number of degrees thus far this year. Each of you should be proud of what we have accomplished together! It is time for us to enjoy the fruits of our labor by relaxing together and taking part in a number of fellowship events over the next few months while we put degree conferrals on hold until August.

I was pondering recently about some of the reasons why Solomon built the Temple. While the idea of the Temple was conceived as an honor to the Great Architect of the Universe, I think there is something to be said for the builders' personal enjoyment of the Temple once it was completed. While we consider degree conferrals in Freemasonry as the building of character through moral lessons and passing of knowledge, I think it is important to take some time to reflect on the results of our labor. Our Lodge has worked tirelessly to bring new Brethren into our fold, and a great way to honor our new members and friendships is to spend time outside of Lodge meetings enjoying one other's company. Of the many activities we will be planning over the next few months, please let us know about events that most interest you and your loved ones. I cannot thank you enough for all you have done to help build St. Alban Lodge No. 529, and I look forward to spending time getting to know each of you better while we enjoy some fun activities, food, and conversation.

Fraternally Yours,

Kyle A. Schwirian
Worshipful Master
