St. Alban Lodge Mason of the Year Award:

The Saint Alban Lodge No. 529 'Mason of the Year' award is intended to award the membership for their time and dedication not only to the lodge, but to the craft and Freemasonry as a whole.

Who Is Eligible?:

This award is open to any member of the Lodge in good standing who is not serving as an elected or appointed officer of the lodge and does not stand suspended. If a member was suspended for nonpayment of dues and pays to be reinstated, he is eligible for the award as of the stated meeting when he is voted to be reinstated.

How It Works:

This award will operate as a weighted point system based on attendance, meaning there are different types of events everyone can attend and those events are weighed at different point values.

- Attending a stated or extra meeting will award 1 point
- Visiting another Lodge will award 1 point (will require proof of visitation)
- Attending a Lodge instruction night will award 2 points
- Attending one of the Schools of Instruction will award 2 points
- Attending and participating in a Lodge community service or social event will award 3 points
- Attending a District or Grand Lodge event will award 3 points
- Learning and delivering a degree charge, or learning and serving as the guide for a degree will earn a one-time bonus of 5 points

The Goal:

The goal is simple, earn the most points by our December stated meeting (December 8th, 2026) and you will be awarded the Mason of the Year for our Lodge!

The Reward:

Whoever has the most points accumulated by our December stated meeting will have their 2027 dues, parking payments, and meal payments waived entirely. Essentially you will be a member of Saint Alban Lodge FOR FREE for 2027 and will be given a nice commemorative certificate for the honor.
